MEMORANDUM FOR THE RECORD:

25X1A9a [redacted] came down with the OS file of [redacted] 25X1A9a
and with the latter's request to appear at the hearings on
the Prince Georges County open housing law on 4 October.

25X1A9a [redacted] wants to protest this law. He claims that more
witnesses in favor of the law have been heard than those
opposing it. He wants to be a witness against it, and believes
that if he does, he will probably be interviewed on TV, as well
as by the press.

25X1A9a It appears that [redacted] gave [redacted] a rough time on 25X1A9a
the telephone, and that [redacted] was equally forceful and
25X1A9a asked the employee to prepare his request in writing for EAB,
which he did.

25X1A9a I relayed all of the above to Mr. Goodwin, and told him
that [redacted] file is replete with evidences of poor judgement.

25X1A9a Mr. Goodwin decided that: This office does not give approval
for this appearance, and recommends to [redacted] that Security,
the man's supervisor, and Personnel sit down together and decide
what recommendation they will make to Colonel White on this case,
since the employee has the right to appeal the decision to the
Executive-Director.

25X1A9a I gave this message to [redacted] over the telephone. (Red line)

25X1A9a Later 8in the day:

25X1A9a [redacted] called, said that [redacted] supervisor had called him in,
25X1A9a explained the restrictions to him, and that [redacted] agreed to let the
request rest. He will not participate in the hearings.

Told Mr Goodwin that the case was closed. JLB
